# Careers and Work-Related Education (CWRE)

## 1. Context and Vision

Ysgol Bryn Castell (YBC) is committed to adopting a Whole School Approach to high-quality provision of Careers and Work-Related Experiences (CWRE) for all learners.

The purpose of this policy is to provide all stakeholders (learners, staff, parents/carers, governors, and external organisations) with information about the provision of CWRE in our school.

Careers and Work-Related Experiences is one of five cross-cutting themes within the Curriculum for Wales for learners aged 3 to 16. Careers and the world of work is part of the basic curriculum for all 11 – 16 year olds as part of the national curriculum and is a requirement of the Learning Core of Learning Pathways 14 – 19. All pupils at YBC have access to effective Careers and Work-Related Experiences (CWRE) consists of careers education embedded across the areas of learning which is supported by a range of work-related learning experiences.

CWRE should inspire learners to:

- develop an understanding of the purpose of work in life, both for themselves and for society as a whole
- become increasingly aware of the range of opportunities available to them, broadening their horizons
- develop the attitudes and behaviours required to overcome barriers to employability, career management and lifelong learning
- appreciate the increasing range of opportunities in the workplace where an ability to communicate in Welsh is important
- explore opportunities through a variety of meaningful experiences in learning, work and entrepreneurship
- develop resilience and the ability to be adaptable in response to the challenges, choices and responsibilities of work and life

High quality careers guidance is important for our pupils' futures, and YBC aims to:

- help pupils prepare for the workplace, by building self-development and career management skills
- provide experience of and a clear understanding of the working world
- develop pupils' awareness of the variety of education, training and careers opportunities available to them
- help pupils to understand routes to careers that they are interested in, and to make informed choices about their next step in education or training
- promote a culture of high aspirations and equality of opportunity

## 2. Statutory Requirements

The guidance for CWRE is statutory and is issued under section 71 of the Curriculum and Assessment (Wales) Act 2021. YBC is responsible for designing and developing CWRE and have referred to this guidance when designing our curriculum: [CWRE statutory requirements](#).
