MALPRACTICE in EXAMINATIONS and ASSESSMENT POLICY

Policy Aims

- ❖ To identify and minimise the risk of malpractice by staff or learners.
- ❖ To respond to any incident of alleged malpractice promptly and objectively.
- ❖ To standardise and record any investigation of malpractice to ensure openness and fairness.
- ❖ To impose appropriate penalties and /or sanctions on learners or staff where incidents (or attempted incidents) are proven.
- ❖ To protect the integrity of this centre and qualifications.

In order to do this, Ysgol Bryn Castell will:

- ❖ Seek to avoid potential malpractice by using the induction period and the student handbook to inform learners of the centre's policy on malpractice and the penalties for attempted and actual incidents of malpractice.
- ❖ Show learners the appropriate formats to record cited texts and other materials or information sources.
- ❖ Ask learners to declare that their work is their own.
- ❖ Ask learners to provide evidence that they have interpreted and synthesised appropriate information and acknowledged any sources used.
- ❖ Conduct an investigation in a form commensurate with the nature of the malpractice allegation.

Such an investigation will be supported by the Headteacher and all personnel linked to the allegation. It will proceed through the following stages:-

Inform the Examination Officer for discussion with the Headteacher
Examination Officer to take statements from all parties and collate work samples from suspected parties
Headteacher informs the examination board if formal action is necessary.

- ❖ Make the individual fully aware at the earliest opportunity of the nature of the alleged malpractice and of the possible consequences should malpractice be proven.
- ❖ Give the individual the opportunity to respond to the allegations made.
- ❖ Inform the individual of the avenues for appealing against any judgement made.
- ❖ Document all stages of any investigation
