1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will promote equal opportunities and good relations between persons of different racial groups and between sex or gender groups, and avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

This policy considers the statutory guidance from Welsh Government regarding school uniform:

2. Our school’s legal duties under the Human Rights Act 1998 and Equality Act 2010

Governing bodies must have regard to their obligations under the Human Rights Act 1998 and the Equality Act 2010 when developing or reviewing their school uniform and appearance policies, so as to ensure that they do not to discriminate unlawfully on the grounds of sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and disability.

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
